WEEKENDS and SUNDAY
LEISURE OPTIONS

MICHAELMAS TERM, 2009

Join in with **SLOPs!** and
have *FUN* at the weekends

Repton is a seven-day-a-week boarding school and our weekends feature a full programme of activities. A number of these are compulsory: on Saturdays you will have lessons in the morning, then in the afternoons you may be involved in a school fixture and on Sunday the whole School attends a Chapel service. The rest of the weekend is used to take full advantage of the School's wonderful facilities for sports, art, music, IT, design and the opportunity to be involved in a variety of activities.

There is time to relax, catch up with work, meet with friends and family and sometimes there will be House events and Socials - but every Sunday there is also the opportunity to do something a bit different through our popular SLOPs! (Sunday Leisure Options).

Sometimes, after a busy week, it is good to forget about school work for a few hours, have a change of scenery or let off steam, and meet up with friends from other houses and year-groups.

With SLOPs! you could soon find yourself...

- Running through the woods on a paintballing mission
- Cycling in the Peak District
- Catching the latest blockbuster with a bag of popcorn and a group of friends at the cinema
- Hunting for the perfect outfit for your next Social in the great shopping centres of Birmingham, Derby or Nottingham
- Enjoying go-kart racing or theme park rides
- Visiting a National Trust heritage site
- Taking part in a tennis match followed by a BBQ
- Representing your House & battling it out in the Tug-of-War
