

SUMMER TERM
2011

Olie Hetherington shines as Toad

The newly and magnificently refurbished 400 Hall saw its first major production this term, in which a large cast of B and A Blockers took to the stage under Mr Levesley's expert guidance in a most entertaining take on the children's classic, *The Wind in the Willows*, by Kenneth Grahame. Several members of New House took part, but Olie's version of Toad stole

the show. His energetic, hilarious portrayal ensured that the end of term was accompanied by a smile on the face of everyone who saw the show. Elliott Bock, Sam Williams, Oakley Elsom and Henry Shirley were also heavily involved in the show, either on or back stage, and all should be congratulated for their efforts at the end of another tiring year!

NEW
HOUSE

S.T.Williams - Intermediate Javelin
Junior 4x100m Relay

Sports Day Success

Sam wins the intermediate javelin

Even though the boys in New only managed to win one track event (the Junior 4 x 100m sprint relay), the House still managed to come third overall, emphasising the commitment and strength in depth New House possesses. The future looks bright, too, given the Juniors' dominance over the two days. Particular mention should go to those who narrowly missed out, coming highly creditable seconds in their events –

Tom Sharpe: 100m, Marcus Schneck: 200m, Henry Teal: 800m, Oakley Elsom: 1500m, Alex Needham: 3000m, Oscar Copley: 800m & 1500m

"The future looks bright, given the Juniors' dominance over the two days."

George lends his support!

"Nik's performances in the discus and javelin rightfully earned him the Junior Victor Ludorum."

A Year in Socials

A Word From The Housemaster

And so, we say goodbye to another Upper Sixth; small, but perfectly formed! Alex has been an exemplary Head of House, Sam, his more than worthy Deputy. Hamish has the unique gift of popularity, but also respect, whilst Somerset has dazzled us with his performances on stage, but also as Obi Wan Kenobi at morning roll call. Jared, I've discovered, could be flying us to our holiday destinations in just two years' time and Timmy will be lucky to get anywhere on time (see below!). To all our leavers, the very best.
