

9<sup>th</sup> September 2011

**B Block Parents' Meeting : 3.00 pm Friday 14<sup>th</sup> October**

I am writing to confirm the arrangements in the Calendar and to invite you to a meeting for the parents of boys and girls in B Block on the afternoon of Friday, 14<sup>th</sup> October. The purpose of the meeting is to allow you to assess how your sons and daughters have settled in to life at Repton in their first Half with us and to discuss academic progress with members of staff.

We would be grateful if on arrival you could proceed to the new 400 Hall Theatre, where you will be able to register and will be given a list of your son's/daughter's subject teachers. Registration will begin at 2.45 pm and at 3.00 pm I will give a presentation on the School's Development Plan and the Science Priory initiative, both of which will of course be highly influential in your son's/daughter's Repton career. The presentation will explain how the School will fund the exciting developments from which your sons and daughters will benefit directly in years to come, and will also explain how parents who are in a position to do so may support us further in the future. Thereafter we will proceed to refreshments and discussion in the Theatre Foyer before interviews with subject staff at 4.00 pm in Pears School. Pupils may attend the meeting with their parents if desired from 4.00 pm and Heads of Departments' e-mail addresses are appended overleaf for your information should you require any further advice.

To assist with parking arrangements it would be greatly appreciated if parents could park as near as possible to their son's or daughter's boarding Houses.

**If you have any special access requirements please do let us know prior to the meeting on the above telephone number.**

I hope you will be able to join the staff for what should prove to be an informative session.

R A Holroyd
